

In the specification:

Page 1, line 2, replace "Prior Art" with -- Background of the
Invention --,

line 2, delete "as generically",

line 4, delete "defined by the preamble to the main
claim",

line 8, replace "Advantages of the Invention" with --

Summary of the Invention

In keeping with these objects and with others one feature of
present invention resides, briefly stated, in that at least one first operating
mode is provided, in which information about this operating mode is
associated in the display device with the at least one control element, and
the information in a second operating mode associated with the first
operating mode is converted into a function for activating the first operating
mode, which function can be activated by the at least one control element.

line 9, delete "having the",

line 10, delete "characteristics of the main claim",

Last three lines from bottom, delete in their entirety.

Page 2, line 25, replace "Drawing" with -- Brief Description of
